Become a member of GREAT!

Dear Greyhound Lover:

The financial support you provide when you become a member of GREAT is critical to funding our rescue and adoption efforts. We are an all-volunteer, 501(c)(3) non-profit corporation. Funding to continue our rescue work comes totally from the fundraising efforts of our volunteers, adoption donations, GREAT memberships, our Sponsorship Program and donations from the public.

Since 1993, we have rescued hundreds of greyhounds whose racing days were over and whose lives were on the line had they not found permanent adoptive homes. We have also served as a safety net for a number of previously adopted racers who have unfortunately lost their homes when they were past their prime, even if they were not previously placed by us. These greyhound seniors are enjoying the comfort and security of new homes where they can live out their final years. We have provided medical care for many special needs greyhounds who would not otherwise have received the care they so desperately needed.

By sending in your \$25 annual membership contribution, you will help us transport, shelter, feed and provide veterinary care for many needy greyhounds. As a GREAT member, you will also be eligible to vote in our yearly election for the Board of Directors. Your support is GREATly appreciated!
